“Inspiring restless excellence”

At Jane Bilham Tuition, we believe that every student has the potential to achieve greatness. Our mission is to provide high-quality online tuition that not only empowers students academically but also instills in them the confidence and skills to thrive in an ever-evolving world.

Our core values of Challenge, Support and Enable guide everything we do.

Challenge:

We challenge our students and tutors to set high standards, encouraging them to aim for their best. We understand that true growth comes from overcoming obstacles and pushing boundaries.

Support:

Every student is unique, and their educational journey should reflect that. Our team provides personalised support, nurturing your child's individual needs, and fostering a sense of belonging in their educational community. Our tutors are supported in their professional and personal growth to ensure they are continually improving.

Enable:

We don't just teach; we empower. Our goal is to enable students to become self-reliant, critical thinkers who can navigate the complexities of the modern world with confidence and competence. Our tutors are enabled to pursue their professional interests and strengths to ensure they are actively engaged in their professional development.

Our Story

Jane Bilham
Tuition

Jane founded Jane Bilham Tuition in 2014, following the birth of her son. She is a former Assistant Principal and Director of English but first and foremost, she is a teacher of English. With over 18 years of teaching experience, including 9 years as an examiner for all major exam boards in the UK and internationally. After establishing herself as a trusted tutor for students all over the world, she has gained a global reputation for excellence at GCSE, iGCSE, A Level and I.B.

As a result of her support with entrance exams, she has enabled students to gain access to some of the most prestigious Independent Schools in the U.K. and U.S.A. Throughout her career, the values of Challenge, Support and Enable underpinned every aspect of her leadership and teaching - these principals remain integral to her approach as a tutor and leader of a growing team.

In September 2023, she welcomed additional outstanding colleagues to her team to expand the excellent provision on offer to students from all over the world. The values of Challenge, Support and Enable have underpinned her approach to teaching and leadership throughout her career and encapsulates her commitment to the high standards of tuition delivered by her and her team.

Meet Jane

Jane is a former Assistant Principal and Director of English but first and foremost, she is a teacher of English. With over 18 years of teaching experience, including 9 years as an examiner for all major exam boards in the UK and internationally, she has a proven track record of outstanding results at GCSE, iGCSE and A Level English Language and English Literature and has been consistently judged as outstanding by external agencies at all Key Stages. The high quality of her teaching and leadership led to her being awarded SLE status which required her to coach other leaders and act as a consultant to raise standards in challenging schools. As a result of her involvement in Ofsted's 'Excellence in English' case study, she was invited by SSAT to be a speaker at a national conference.

Following the birth of her children and a relocation back to the North East, she embarked upon a career break and began tutoring in libraries, homes and schools across the North of England. In 2020, learning moved online and she was able to expand her client base across the UK and the world.

Her role as an examiner for all of the major exam boards both in the UK and Internationally has enabled her to deliver high quality learning opportunities that result in excellent outcomes for students of all abilities.

She also has experience of supporting students with entrance exams for the top Independent Schools both in the UK and USA, with proven success in the Winchester, Sevenoaks, Groton and Andover admission assessments.

She has a firm belief in the centrality of English to a child's education and is passionate in her view that excellent learning and teaching, combined with an ability to form meaningful relationships with students must underpin all effective tuition.

Testimonials

I know M has let you know about her A*. I just want to thank you from the bottom of my heart – she could not have achieved this without you. I think I've said it before, but words are not enough to express my gratitude and respect. I am very aware of how hard you must have worked to get her there. Quite simply, you have been inspirational.

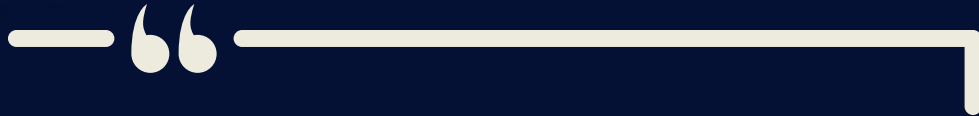

Just a short note to let you know that B passed the Entrance Exam and achieved an 'A' (in the first quartile of all candidates) in English. Thanks for walking this journey with him coaching him drilling him. He is set for Winchester this September.

Testimonials

O had her checkpoint last week about Of Mice and Men and she had the best score in her class -26/30! The average score was 16! Her teacher gave her grade 8-9! Thank you so much. She wouldn't have achieved such a great score without your help.

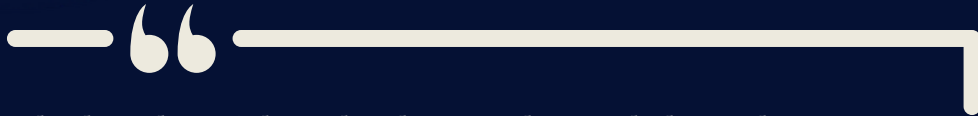

His writing has developed so much not just in English, but also in other subjects. His History feedback has been very positive. This is one of his teachers' notes: "Good structure and good use of evidence from the sources". Thanks to you!

Testimonials

Today is the last day of the school year. The English teacher wants to move her to the top class, which is the class everyone desires!

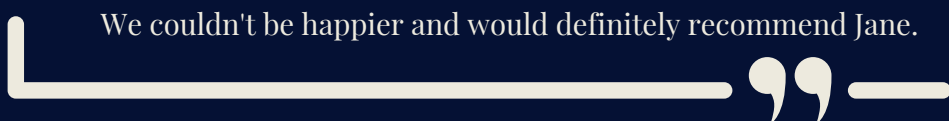

It's rare for students in 9th grade to be moved, but this time, two children got the chance, and O is one of them. We are very grateful for your teaching.

We are very happy to have the opportunity to be moved because there are only two Chinese students in the English top class, and they both joined the school in grade 1.

Jane initially came to tutor our son for one-on-one sessions once a week to give him a bit of extra help towards his English GCSE. We were thrilled at the positive feedback we were getting from him and it was clear Jane was easily able to engage him on his level and bring the best out of him.

As a result, we also asked Jane to work with our daughter specifically to increase her confidence in the run up to her English A Level. Our daughter loved her sessions with Jane and her confidence increased significantly.

We couldn't be happier and would definitely recommend Jane.
